This Supplement constitutes a supplement for the purposes of Article 23 of the Prospectus Regulation, and a supplementary prospectus for the purposes of section 87G of the Financial Services and Markets Act 2000 (as amended). Terms defined in the Base Prospectus shall have the same meaning when used in this Supplement.

Purpose of this Supplement

The purpose of this Supplement is to:

2. update the no significant change statement in the Base Prospectus in respect of the Guarantor (as defined below) and the Guarantor and its consolidated subsidiaries (including the Issuer) taken as a whole.

Significant change statement

Other than as disclosed in the Base Prospectus, there has been no significant change in the financial position or financial performance of the Guarantor or the Guarantor and its consolidated subsidiaries (including the Issuer) taken as a whole since 27 March 2020.

Other than as disclosed in the Base Prospectus, there has been no material adverse change in the prospects of the Guarantor since 31 December 2019.

General Information

To the extent that there is any inconsistency between any statement in this Supplement and any other statement in, or incorporated by reference in, the Base Prospectus, the statements in this Supplement will prevail.

If documents which are incorporated by reference in this Supplement themselves incorporate any information or other documents therein, either expressly or implicitly, such information or other documents will not form part of this Supplement for the purposes of the Prospectus Regulation except where such information or other documents are specifically incorporated by reference in this Supplement.

Save as disclosed in this Supplement, no significant new factor, material mistake or inaccuracy relating to information included in the Base Prospectus has arisen or been noted, as the case may be, in relation to the Issuer or the Guarantor since the publication of the Base Prospectus.
